ORDER

On April 5, 2011, the Court held a status conference in this case and set the following deadlines:

(1) Plaintiff's motion for class certification and plaintiff's expert(s) reports shall be filed by September 9, 2011 (along with two deposition dates in the following four weeks when the expert(s) can be deposed, at defendant's election);

(2) Defendant's response to plaintiff's motion and defendant's expert(s) reports shall be filed by November 21, 2011 (along with two deposition dates in the following two weeks when the expert(s) can be deposed, at plaintiff's election);

(3) Discovery deadline on class certification – December 16, 2011;

(4) Plaintiff's reply to defendant's response shall be filed by January 13, 2012; any supplemental or additional expert reports in conjunction with a reply brief shall be limited to responding to defendant's expert(s);

(5) If a party wants oral argument or a mini-trial in reference to the class certification motion, it shall file a motion by January 20, 2012, with a response thereto by January 30, 2012; no reply shall be filed; and

(6) After the Court's ruling on the motion for class certification, a supplemental case management conference shall be scheduled pursuant to a further report by the parties proposing a schedule for deadlines for merits issues.

IT IS SO ORDERED this 6th day of April, 2011.
